---

Currently pursuing a qualification in Software Development with a focus on becoming a proficient Full Stack Developer. Possess a strong foundation in Front End Development, with prior experience in crafting intuitive user interfaces and responsive web designs. Actively expanding skill set to encompass Back End technologies, including database management, server-side scripting, and API integration. Committed to continuous learning and staying updated with the latest industry trends and technologies. Eager to leverage both Front End and Back End proficiencies to contribute effectively to dynamic development teams and deliver innovative solutions.

## Work History

**2014-12 - 2015-01**

**Shop Assistant**

*AL Mahamuda Cosmetics, Vosloorus*

- Monitored shop security to identify and report shoplifting activities and increase security measures.
- Provided excellent customer service, promptly addressing inquiries and resolving issues.
- Handled customer returns according to shops policies, ensuring a fair resolution for all parties involved.
- Managed product displays, showcasing new arrivals or bestsellers for increased visibility and sales opportunities.
- Answered customer questions about products and services, helped locate merchandise, and promoted key items.
